2.TINI 2025 SCIENTIFIC AWARDS ABSTRACT WRITING GUIDELINES

Important notes:

- The abstract may not exceed 250 words.
- The main text must be written in Microsoft Word format, with 12 points Times New Roman font, single space with justified margins and 25 mm margins on all sides.
- The file must be converted into PDF format before submission.
- The manuscript writing should refer to the international guideline for medical journal. Further information can be found at <https://www.equator-network.org/> and <http://www.icmje.org/>

FORMAT OF ABSTRACT FOR ORIGINAL RESEARCH

TITLE

Authors Name

Affiliation

Corresponding Author: Name, Affiliation, Email and Phone

ABSTRACT (Sectioned: Background, Objective, Method, Results, Conclusion, Keywords)

Background:

- Briefly introduce the research topic and its relevance.

Objective:

- Clearly state the research question or the aim of the study

Methods:

- Describe the method in a concise but clear manner
- The data collection and analysis methods are mandatory

Results:

- Present the key findings of the study
- The descriptive characteristics and intermediate analysis can be presented concisely

Conclusion:

- Briefly state the main conclusions and implications of the research

Keywords:

Provide five keywords relevant to the research topic in alphabetical order, separated by comma, refer to MeSH term.

Mandatory:

Ethics

All submitted articles involving humans and animals must obtain ethical acceptance from Ethical board and registration number.

Declaration of interest

Public trust in the scientific process and the credibility of published articles depend in part on how transparent conflict of interest are handled during the planning, implementation, writing, peer review, editing, and publication of scientific work.

Authorship

The authorship is based on the following 4 criteria:

- 1.Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND
- 2.Drafting the work or revising it critically for important intellectual content; AND
- 3.Final approval of the version to be published; AND
- 4.Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

References

References should follow the standards summarized in the NLM's International Committee of Medical Journal Editors (ICMJE) Recommendations.

Originality

Article must be **original** and never been submitted to any events or publications. Plagiarism and AI generated writing are prohibited and will be **disqualified**.

3. PRESENTATION AND POSTER GUIDELINES FOR TINI 2025 SCIENTIFIC AWARDS

GUIDELINES FOR RESEARCH PRESENTATION

- The presentation should be written in **English**.
- **The presentation must be made in Power Point Presentation (PPT) format.**
- The presentation time for **research** should not be more than **7 (seven) minutes**.
- Timetables for each presentation will be provided in advance of the TINI 2025 congress.
- All presenters must attend the entire sessions they are allocated to, **15 (fifteen) minutes prior to the event schedule**.

GUIDELINES FOR ELECTRONIC POSTER (E-POSTER)

Important Notes:

- Save your poster as a **PDF format** in a 55-inch LCD screen size **(length 70 cm x height 123 cm)**.
- The poster must be submitted in its **final version**, editing after submission is not permitted.
- Posters will be displayed electronically on LCD screens **(E-Poster)** and **do not need to print**.
- Timetables for each electronic poster presentation will be provided in advance of the TINI 2025 congress.
- All presenters must attend the entire sessions they are allocated to, **15 (fifteen) minutes prior to the event schedule**.

THE CONTENT OF THE ELECTRONIC POSTER (E-POSTER):

- The e-poster should be written in **English**.
- Title of the e-poster is on the top center and **should be identical to the submitted abstract**.
- **The logo of TINI 2025** is placed on the top left corner, the author's **institution logo** is placed on the top right corner, and **the first author's photo** is placed below the institution logo. You may download the logo of TINI 2025 on Scientific Awards Section of TINI 2025 web.
- Names and affiliations of all authors (each author to be marked with superscript Arabic number in example 1, 2) must be written along with their corresponding institution affiliation and their addresses followed by corresponding author's email.
- The presenter's name should be **BOLD**, identified with an asterisk (*).
- Consider the selection of font type, size, and colour and make sure your poster could be read from **2-meter distances**.
- Make sure that any photographs of figures, graphs and tables in the poster are of sufficient sizes.
- **Content of poster presentation:**
 - a. **Case Report:** Background, Objective, Case Report, Conclusion and References
 - b. **Research and Literature Review:** Background, Objective, Method, Result, Conclusion and References
- At the **footer** part of poster presentation should be noted: "Displayed at: TINI 2025, November 21st –23rd 2025".
